Spotlight on Our Charity

This year, our chapter has selected Dawn's Daughter as our charity. The purpose of Dawn's Daughter is to provide life-changing experiences that will inspire girls and young women to become successful in their personal and professional lives. Through these experiences young women will build self-esteem, character, and create a culture of collaboration between mentors, peers, and the broader community.

"I started this organization to continue my work empowering young women in the Coastal Empire and Low Country to become the very best they can be. I will also help young women develop skills critical to becoming financially savvy and economically independent," said Dawn Baker, founder of Dawn's Daughter. Dawn's Daughter hopes to help young ladies make responsible decisions, and become ethical leaders in their homes, schools, workplaces and communities."

Baker will host the Dawn's Daughter's Leadership Academy in June for 9th and 10th grade young ladies from public and private schools in Chatham, Liberty, and Bryan Counties. CEAHU will be raising money to sponsor an etiquette luncheon for these young ladies.
